**Subject: Launch of Chandan Medical Centres – A Strategic Community Healthcare Initiative**

**Regulation 30 of SEBI (LODR) Regulations, 2015.**

Dear Sir/Madam,

We wish to inform you that in line with its vision to enhance access to quality healthcare, Chandan Healthcare Limited has launched **Chandan Medical Centres** (through its subsidiary Chandan Pharmacy Limited) to Deliver Affordable Healthcare at Doorstep in various places of Tier II&III cities in Uttar Pradesh, Bhopal, Uttarakhand, Rajasthan, Jharkhand, Delhi and Bihar —a significant step toward transforming community-based healthcare delivery.

This initiative aims to bridge the gap between patients and quality medical services by offering a wide spectrum of healthcare facilities at affordable prices, particularly benefiting semi-urban and underserved populations.

### **Key Services Offered at Chandan Medical Centres:**

- ❖ **Online Medical Consultations** with experienced doctors from Chandan Hospitals at discounted fees
- ❖ **Genuine and Authorized Medicines** at concessional prices
- ❖ **Preventive Health Check-Up Packages** at heavily discounted rates
- ❖ **Advanced Diagnostic Laboratory Services** at affordable pricing

A distinguishing feature of this initiative is its **affordability**, ensuring that essential healthcare services remain accessible to all socioeconomic segments.

The Chandan Medical Centres are positioned to serve as community healthcare hubs, especially in regions with limited access to tertiary medical facilities. This rollout aligns with the Company's mission to promote preventive care, early diagnosis, and treatment compliance through quality and cost-effective services.

The initiative has been well received by public health experts and community stakeholders, who have recognized it as a potential game-changer in India's healthcare ecosystem.

We request you to take the above information on record.
