Sehat Bhi, Saving Bhi..

Over the past year, Chandan Healthcare Limited has remained steadfast in its mission of empowering health and expanding horizons for communities across North India. Our integrated diagnostics network now spans 400 labs and collection centres, offering over 1,400 pathology and radiology tests, including many advanced, specialized offerings, with a commitment to placing the patient first at every step. Continuous investment in technology, such as fully cloud-based ERP systems and AI-driven diagnostic platforms, coupled with rigorous focus on quality, underscores our pursuit of precision and operational progress. We have expanded both our physical presence, deepening our roots in core markets like Uttar Pradesh and branching into emerging regions, and our service scope, now including enhanced wellness packages and digital-first, patient-centric experiences.

Our growth is built on the spirit of continual learning and collaboration, reflected by dedicated teams delivering reliable results and compassionate care. Strategic partnerships with government health missions and corporations enable us to serve both public and private sectors, fostering improved health outcomes across all demographics. Looking forward, Chandan Healthcare is poised to lead the change in diagnostics by integrating new molecular and genetic testing capabilities, growing its focus on corporate and B2B partnerships, and further automating service delivery for greater reach and reliability. With robust financial growth, a highly skilled workforce, and a foundation of trust, we are well placed to deliver innovative, dependable care and shape a healthier future for millions

Letter To Shareholders

Dear Esteemed Shareholders,

It is a privilege to write to you at the close of another remarkable financial year for Chandan Healthcare Limited and I take great pride to share the journey and success of our organization over FY25. What stands out most in this period is not only the scale of our achievements, but the dedication, collective spirit, and resolve that our entire team, stakeholders, and partners consistently demonstrate. These qualities have shaped Chandan Healthcare into a robust, inclusive, and future-ready organization, which is now among the leading and most trusted health diagnostics providers in North India.

Outstanding Performance and Quality Growth

This year, Chandan Healthcare has excelled in consolidating its operational strengths while scaling new heights in financial performance. Our revenue from operations increased to ₹23,012 lakh, continuing a trend of strong double-digit growth through the years. The EBITDA margin reached 18.69% and profit after tax surged to ₹ 2,217 lakh, epitomizing our firm commitment to profitability and efficiency. We also noted significant growth in net worth, which now stands above ₹12,260 lakh. These achievements were made possible by prudent cost control, judicious capital allocation, and a relentless pursuit of operational excellence across verticals.

We continue to generate consistent volume growth, a testament to the trust placed in us by millions. Over 53.98 lakh diagnostic tests were conducted during the fiscal year, reflecting our growing reach across the population. Our customer base is more diverse than ever, spanning individual patients, corporates, public sector employees, and major institutional accounts.

Expanding Our Network and Market Presence

This year, we have continued to strengthen and expand Chandan's network with a focus on both scale and strategic depth. By the end of the year, our footprint included 400 operational facilities, comprising 8 flagship large centres equipped with advanced MRI and imaging solutions for comprehensive diagnostics, 6 medium centres with CT facilities that address essential imaging needs, and 26 small centres providing basic healthcare and diagnostic services tailored for Tier-2 and Tier-3 regions. Our ecosystem is further supported by 360 sample collection centres, enabling us to bring healthcare services closer to our customers.

While Uttar Pradesh remains our core market, contributing nearly 70% of revenues, our deliberate and strategic expansion into Uttarakhand has already grown to contribute about 30%. Looking ahead, we are well-positioned to extend our presence into Rajasthan and Bihar, underscoring the scalability of our business model and the strength of our customer-centric approach.

For us, growth is not just about increasing numbers or locations—it is about creating deeper market penetration, maximizing capacity utilization, and most importantly, delivering measurable improvements in health outcomes across the regions we serve. This philosophy continues to guide our expansion and ensures that our growth journey remains sustainable and impactful.

Investing in Technology and Delivering Service Innovation

We realize that the future of healthcare lies at the intersection of clinical acumen and technological evolution. Over the last year, Chandan has accepted this challenge wholeheartedly. Our end-to-end operations are now powered by an advanced cloud-based ERP solution enabling digital record-keeping,

seamless scheduling, and real-time access to patient test results. These improvements are further amplified by integrating artificial intelligence and machine learning into diagnostic processes, ensuring precision, accountability, and superior customer outcomes. Our continuous focus remains on enhancing digital engagement, making booking and accessing services even more user-friendly and responsive for every patient.

Our rapidly expanding test portfolio, including 1,496 total tests, of which 481 are routine, 1,015 specialized, and 545 radiology-specific, enables us to serve a comprehensive spectrum of healthcare needs. Further service innovations, such as expanded wellness packages, chronic disease monitoring, and advanced genetic and molecular testing, are now woven into our product strategy, enabling Chandan to provide value-driven, preventive, and personalized healthcare for both individuals and institutions. By consistently launching new packages and specialty tests, we unlock fresh value for our customers while simultaneously increasing revenue per visit and fostering lasting relationships.

Strategic Partnerships, Subsidiaries, and Organizational Strength

Our efforts in the B2B and B2C space are complemented by a strong push into institutional business. Our involvement in projects like the National Health Mission in Uttarakhand demonstrates the increasing significance of public sector partnerships to our diversified revenue profile. Simultaneously, Chandan Pharmacy Limited, our wholly owned subsidiary, remains a vital pillar for growth, contributing upwards of 44% to the group's consolidated revenue through pharmaceuticals and medical consumables distribution. The synergy between diagnostics and pharmacy is a hallmark of our integrated healthcare approach, positioning us uniquely in the ecosystem.

None of this progress would be possible without our people. With a workforce now exceeding 1,140 staff members at year-end, our team is empowered, continuously trained, and deeply motivated to deliver upon our pledge of excellence every day. Our leadership team, with decades of domain expertise, continues to foster an environment of innovation, discipline, and integrity.

Industry Tailwinds and Future Outlook

We stand on the cusp of unprecedented change and growth in Indian healthcare. The diagnostics industry is expected to expand at an 8-10% CAGR through FY 2028, fueled by broader healthcare spending, a rising middle class, increased health awareness, and an accelerating digital revolution, bolstered by government initiatives such as the Ayushman Bharat Digital Mission. The continually rising allocation of public funds underscores

a national commitment to improving health access. Chandan is exceptionally positioned to tap into these favorable conditions with its scalable model and history of rapid market adaptation.

We embrace the future with clarity and ambition. Our core strategic priorities for the coming year include further automation of lab processes, expanding into new urban and rural micro-markets, launching more specialized offerings, and fostering innovation through digital transformation. Concurrently, we will continue to drive operational discipline, uphold strict corporate governance standards, and advance our initiatives for sustainable and inclusive growth.

Recognition, Governance, and Our Commitment

Chandan Healthcare's commitment to medical excellence and patient service is widely recognized, as seen in numerous awards and positive industry acknowledgments we have received over time. Guided by principles of ethical leadership, transparency, and robust governance, we place stakeholder interests and community trust above all else. Our Board and management team remain committed to the highest standards of accountability and prudent risk management, qualities that have become synonymous with the Chandan name. We recognize that true value is built not just through financial strength, but by strengthening the communities we serve and empowering every individual to lead a healthier, more informed life.

Looking Ahead

The road ahead is bright and full of potential. Our vision, to be North India's most trusted and reliable provider of evidence-based, technology-enabled healthcare diagnostics, remains our steadfast guiding light. We are focused on sustaining our growth momentum, investing in our people and technology, and ensuring that we continue to create lasting value for shareholders and society alike.

I express my deepest gratitude to all shareholders for your continued confidence and support, to our partners for your collaboration, and to every member of the Chandan family for your untiring dedication. Together, we aspire to shape a future where Chandan stands at the forefront of India's healthcare transformation, making a positive and enduring difference in the lives of millions every year.

With warm regards and sincere appreciation,

Dr. Amar Singh
Chairman & Managing Director

Company Overview

At Chandan Healthcare Limited, diagnostics form the foundation of our business and our identity. For over two decades, we have been committed to delivering accurate, affordable, and comprehensive diagnostic services through a strong network of centres and collection facilities across North and Central India. With NABH-accredited centres, NABL-certified laboratories, advanced imaging infrastructure, and an experienced medical team, we have built a reputation for quality, trust, and patient-centric care.

Our pharmacy business complements our core diagnostics offering. Through company-owned outlets, a centralised supply chain, and strong hospital-linked demand, we ensure uninterrupted access to medicines while enhancing convenience and customer loyalty. Together, our diagnostics and pharmacy services create a reliable healthcare ecosystem that supports patients throughout their journey of care.

As we expand our footprint across Tier 2 and Tier 3 cities and enter new markets with a hub-and-spoke model, we remain focused on strengthening our leadership in diagnostics while building on the synergies offered by pharmacy and digital healthcare. Guided by our patient-first philosophy, we continue to redefine healthcare delivery and create lasting value for all stakeholders.

Management Discussion and Analysis

Economic Overview

Global Economic Overview

The global economy in FY 2024-25 demonstrated resilience, navigating a complex landscape of persistent inflation and tight monetary policies. According to the International Monetary Fund (IMF), the world economy is forecasted to maintain a steady growth rate of 3.2% through 2024 and 2025, mirroring the pace of 2023. While advanced economies are expected to see a slight acceleration, this will be balanced by a modest slowdown in emerging markets.

Global inflation is projected to decline from 6.8% in 2023 to 5.9% in 2024 and 4.5% in 2025. However, risks remain, including geopolitical tensions, supply chain disruptions, and persistent structural frictions that could impede the movement of capital and labour to productive firms. Despite these challenges, the global economy has shown surprising stability, setting a cautiously optimistic tone for international markets.

Indian Economic Overview

India stood out as a beacon of growth and stability in the global economy during FY 2024-25. The nation solidified its position as the world's fastest-growing major economy, with the Reserve Bank of India (RBI) estimating a robust real GDP growth of approximately 6.5%. This impressive performance was underpinned by strong domestic demand, buoyant private consumption, and a strategic government focus on capital expenditure.

Key economic indicators painted a picture of strength. Retail inflation moderated, falling to its lowest levels in recent years, which supported consumer sentiment and purchasing power. The country achieved record-high total exports, and Foreign Direct Investment (FDI) inflows saw a significant increase, reflecting sustained global investor confidence in India's long-term potential. With ample foreign exchange reserves providing a cushion against external shocks, the Indian economy demonstrated remarkable resilience and is poised for continued momentum.

Industry Overview

The Indian Healthcare Sector

The Indian healthcare industry is in a golden decade, projected to grow from approximately US\$638 billion by 2025. This expansion is driven by fundamental shifts,

including rising income levels, greater health awareness, an increasing prevalence of lifestyle diseases, and a growing geriatric population. The sector is also benefiting from a surge in medical tourism and the rapid adoption of digital health technologies like telemedicine and AI-powered diagnostics. Public health expenditure has steadily increased, with the government aiming to raise it to 2.5% of GDP, signalling a strong commitment to strengthening the nation's health infrastructure.

The Indian Diagnostic Industry

The diagnostic services market, a critical component of the healthcare ecosystem, is projected to grow from US\$13 billion in FY23 to US\$25 billion by FY28, at a compelling CAGR of approximately 14%. The market remains highly fragmented, with standalone centres holding the largest share, presenting significant opportunities for consolidation and growth for organized players like Chandan Healthcare.

- **Pathology Segment:** This segment accounts for nearly 58% of the market and is driven by the rising demand for preventive and specialized testing.
- **Radiology Segment:** This segment is witnessing rapid growth, particularly in Tier-II and Tier-III cities, fuelled by the need for advanced imaging modalities like MRI and CT scans.

The industry is undergoing a technological transformation, with automation, digitalization, and Point-of-Care Testing (POCT) enhancing efficiency, accuracy, and accessibility.

Government Initiatives

The Government of India has launched several transformative initiatives that are acting as powerful catalysts for the healthcare and diagnostics sector:

- **Ayushman Bharat Pradhan Mantri Jan Arogya Yojana (AB-PMJAY):** As the world's largest health assurance scheme, PM-JAY provides health coverage to millions of vulnerable families, significantly boosting demand for diagnostic services. Its recent expansion to include all senior citizens aged 70 and above will further widen its impact.
- **Ayushman Bharat Digital Mission (ABDM):** This mission is creating a national digital health ecosystem. The creation of Ayushman Bharat Health Accounts (ABHA) allows citizens to link, store, and share their health records digitally, improving the continuum of care and making diagnostic data more accessible.

Annexure VI

- **Pradhan Mantri Ayushman Bharat Health Infrastructure Mission (PM-ABHIM):** With a substantial outlay of ₹64,180 crore, this scheme is dedicated to strengthening healthcare infrastructure from the ground up, including building a network of modern surveillance laboratories at block, district, and national levels.

These initiatives are collectively working to improve healthcare access, affordability, and quality, thereby creating a favourable operating environment for the diagnostics industry.

Company Overview & Performance

Chandan Healthcare Limited is a leading integrated healthcare provider with a strong foothold in North India. For over two decades, we have been committed to delivering accurate, affordable, and accessible diagnostic and pharmacy services. Our patient-first philosophy, backed by a robust network, advanced technology, and a dedicated team, has made us a trusted name in healthcare.

Operational Performance

FY 2024-25 was a year of strong operational execution and strategic expansion. We solidified our leadership in core markets while venturing into new geographies.

- **Network Expansion:** Our network grew to include 40 diagnostic centres and 360 collection centres across 35 cities in 4 states. While Uttar Pradesh and Uttarakhand remain our core markets, we have initiated our entry into Rajasthan, Bihar, Delhi, Madhya Pradesh, and Chhattisgarh.
- **Test Volumes:** We conducted over 53.98 lakh tests, serving 18.21 lakh patients during the year. This reflects the deep trust patients and clinicians place in our services.
- **Service Mix:** We offer a comprehensive menu of 1,496 tests, including 1,015 specialized pathology and 236 radiology tests. Our focus on expanding high-margin specialized diagnostics has improved our revenue mix and profitability.
- **Digital Transformation:** Our digital-first approach continues to gain traction. The Chandan 24x7 App, with over 100,000 downloads, serves as a unified platform for booking tests, accessing reports, and ordering medicines, enhancing patient convenience and engagement.

- **Business Model:** Our diversified B2C, B2B, and B2G revenue streams provide stability and scalability. We have strong partnerships with over 30 private hospitals and Clinics (B2B) and are actively involved in government PPP contracts (B2G), complementing our strong retail (B2C) presence.

Financial Performance

The Company delivered an excellent financial performance in FY 2024-25, marked by robust growth across both standalone and consolidated results. This was driven by strong volume growth, improved operational efficiencies, and strategic investments in our network.

Standalone

Particulars	FY 2024-25 (₹ in Crores)	FY 2023-24 (₹ in Crores)	Growth (%)

- **Revenue Growth:** On a consolidated basis, our Revenue from Operations surged by 30.31% to ₹230.12 crore, while standalone revenue grew by a strong 29.32% to ₹129.16 crore. This growth was driven by increased patient volumes, expansion into new territories, and a favourable shift towards higher-value specialized tests.
- **Enhanced Profitability:** We achieved significant improvement in profitability. Consolidated EBITDA grew by an impressive 57.09% to ₹43.38 crore, reflecting excellent operational leverage and cost management. Standalone EBITDA also recorded a robust growth of 44.34%. The consolidated Profit After Tax (PAT) witnessed a substantial increase of 43.78% to ₹23.52 crore.

Annexure VI

- **Strong Balance Sheet:** Our financial position strengthened considerably. The Debt-Equity Ratio improved from 1.02 in FY24 to a healthy 0.39 in FY25. The Current Ratio also improved to 1.94, indicating a comfortable liquidity position to fund our short-term obligations and growth initiatives.
- **Superior Shareholder Returns:** Return on Net Worth showed significant improvement, growing by 65.71% over the previous year. This demonstrates our ability to efficiently deploy capital and generate strong returns for our shareholders.

Opportunities and Threats

Opportunities	Threats
Expansion into Tier-II & Tier-III Cities: These underpenetrated markets present a massive growth opportunity for organized diagnostic players.	Intense Competition: The industry is witnessing rising competition from large national chains, regional players, and hospital-based labs.
Growth in Preventive Healthcare: Increasing health awareness is driving demand for preventive health check-ups and wellness packages.	Regulatory Landscape: Evolving regulatory requirements and compliance standards can pose challenges and increase operational costs.
Digital Transformation: Leveraging AI, telemedicine, and data analytics can enhance operational efficiency and create superior patient experiences.	Geographic Concentration: A significant portion of our revenue comes from Uttar Pradesh and Uttarakhand, exposing us to regional risks.
Consolidation in a Fragmented Market: The fragmented nature of the industry provides opportunities for inorganic growth through strategic acquisitions.	Price Sensitivity: The market remains price-sensitive, which can put pressure on margins.

Annexure VI

Risk and Mitigation

We have a robust risk management framework to identify, assess, and mitigate potential risks to our business.

Risk	Mitigation Strategy
Geographic Concentration	We are actively pursuing a strategy of geographic diversification by expanding our footprint into new states like Delhi, Rajasthan, Bihar, Madhya Pradesh, and Chhattisgarh to reduce our dependence on any single region.
Competition	We aim to differentiate ourselves through superior service quality, a comprehensive test menu, strong brand recall, and a patient-centric approach. Our integrated model of diagnostics and pharmacy, coupled with our digital platform, creates a loyal customer base.
Regulatory Compliance	We have a dedicated team to monitor the evolving regulatory landscape and ensure strict compliance with all applicable laws. Our NABL and NABH accreditations are a testament to our commitment to the highest quality standards.
Technological Obsolescence	We continuously invest in advanced diagnostic equipment and digital technologies to stay at the forefront of medical innovation and deliver the best possible outcomes for our patients.

Outlook

Looking ahead, we are optimistic about the future. The healthcare sector in India is poised for significant growth, and Chandan Healthcare is exceptionally well-positioned to capitalize on the emerging opportunities. Our strategy is focused on strengthening our regional leadership through a hub-and-spoke model, leveraging technology to drive differentiation, and expanding our integrated healthcare ecosystem.

We will continue to invest in our people, technology, and network to deliver on our promise of "Sehat Bhi, Saving Bhi" (Health and Savings Too). With a strong balance sheet, a clear growth roadmap, and an unwavering commitment to quality, we are confident in our ability to create sustainable value for all our stakeholders.

Internal Control Systems and Their Adequacy

The Company maintains robust internal control systems covering financial reporting, operational efficiency, and compliance. Regular audits and management reviews ensure controls remain effective and aligned with industry best practices.

Human Resources

As of March 31, 2025, Chandan Healthcare employed over 1,192 professionals across technical, operational, and administrative functions. Employee training, safety, and performance-linked incentives remain key focus areas.

Cautionary Statement

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates, and expectations may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include changes in government regulations, tax regimes, economic developments within India and the countries in which the Company conducts business, and other incidental factors.

Independent Auditor's Report

TO THE MEMBERS OF
CHANDAN HEALTHCARE LIMITED
(CIN- U85110UP2003PLC193493)

Report on the audit of Financial Statements

Opinion

We have audited the financial statements of CHANDAN HEALTHCARE LIMITED ('the Company'), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules, 2021, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its Profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and those charged with governance for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Independent Auditor's Report

Auditors Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements

or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified

Independent Auditor's Report

under Section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021.

- e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigation which would impact its financial position.
- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv) (a) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), which the understanding, whether recorded in writing or otherwise, that the Intermediary shall,

whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (d) The Company has neither declared nor paid any dividend during the year.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

Annexure A to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of CHANDAN HEALTHCARE LIMITED ("the Company") as of 31 March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their

operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of

Annexure A to the Independent Auditors' Report

the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- (b) According to information and explanation given to us and on the basis of our examination of the record of the Company, the company has not been declared willful defaulter by any bank or financial institution or any lender.
- (c) Based on our audit procedures and according to the information and explanations given to us,

the Company has utilized the term loans for the purpose for which loans were obtained.

- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The company does not hold any investment in any subsidiary, associate or joint venture (as defined under the act) during the year ended 31st March 2025. Accordingly, 3(ix)(e) and 3(ix)(f) is not applicable.
- x. (a) In our opinion and according to the information and explanations given to us, the moneys raised by way of initial public offer / further public offer (including debt instruments) during the year have been applied by the Company for the purposes for which those were raised.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the order is not applicable.
- xi. (a) To the best of our knowledge and belief and according to the information and explanations given to us, no fraud by the Company or any fraud on the company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form-ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to date of this report.
- (c) According to the information and explanations given to us by management, no whistle-blower complaints have been received by the Company.
- xii. The Company is not a Nidhi company. Therefore, the provisions of clause 3(xii)(a), 3(xii)(b) and 3(ix)(c) of the Order are not applicable.
- xiii. In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details of such transactions have been disclosed in

Annexure B to the Independent Auditor's Report

the notes to the financial statements as required by the applicable Accounting Standard.

- xiv. According to the information and explanations given to us, the company has complied with the provisions of Section 138 of the Companies Act, 2013 regarding internal audit. The company has appointed an internal auditor as required and the internal audit system is commensurate with the size and nature of its business. The reports of the internal auditor for the period under audit were considered by us
- xv. In our opinion and according to the information and explanations given to us, the company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion and based on our examination, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3 (xvi) (a) of the Order is not applicable to the Company.
- (b) In our opinion and based on our examination, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Accordingly, clause 3 (xvi) (b) of the Order is not applicable to the Company.
- (c) In our opinion and based on our examination, the Company is not a Core Investment Company (CIC) as defined in the regulation made by the Reserve Bank of India. Accordingly, clause 3 (xvi) (c) of the Order is not applicable to the Company.
- (d) According to information and explanations given by the management, the group does not have any CIC as part of the Group.
- xvii. The company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. According to the information and explanations given to us, there has been no resignation of the statutory auditors during the year.
- xix. According to information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other

information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company.

We further state that our reporting is based on facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. According to the information and explanations given to us, there are no unspent amounts required to be transferred to a Fund specified in Schedule VII to the Companies Act, in compliance with the provisions of Section 135(5) of the Act. Accordingly, the reporting under clause 3(xx)(a) is not applicable.
- xxi. As the report is with respect of standalone financial statements, therefore, clause 3(xxi) of the order is not applicable.

Notes To Financial Statements

For The Year Ended 31st March, 2025

Note No. :- 1 : Corporate information

Chandan Healthcare Limited, established on September 3, 2003, specializes in operating state-of-the-art laboratories that offer comprehensive pathological investigations. Our services encompass biochemistry, hematology, histopathology, microbiology, and immunology. Additionally, we provide an extensive array of radiology services, including CT scans, X-rays, and MRIs. Committed to accuracy and reliability, Chandan Healthcare supports healthcare professionals and patients by delivering essential diagnostic services.

Note No. :- 2 : Summary of Significant accounting policies

a) Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with the historical cost convention, accrual basis, and going concern assumption, as mandated by generally accepted accounting principles (GAAP) in India. GAAP encompasses the mandatory accounting standards specified under Section 133 of the Companies Act, 2013, in conjunction with Rule 7 of the Companies (Accounts) Rules, 2014, and the relevant provisions of the Act (to the extent notified).

Accounting policies have been applied consistently throughout, except where the initial adoption of a new accounting standard or a revision to an existing accounting standard necessitates a change in the previously applied accounting policy.

The financial statements are prepared in accordance with Schedule III of the Companies Act, 2013, which significantly influences their disclosure and presentation. Comparative figures for the previous year have been regrouped or reclassified, as necessary, to align with the current year's classification and disclosure requirements.

The standalone financial statements were approved by the Board of Directors and authorised for issue on May 27, 2025.

b) Use of Estimates

The preparation and presentation of financial statements necessitate the use of estimates and assumptions that impact the reported amounts of assets, liabilities, and contingent liabilities as of the financial statement date, as well as the reported

revenues and expenses for the reporting period. Any variances between actual results and estimates are recognized in the period in which they become known or materialize.

Accounting estimates are subject to periodic revisions, and actual results may differ from these estimates. Adjustments to estimates are made when management becomes aware of changes in the circumstances affecting the estimates. Such changes are reflected in the financial statements for the period in which they occur, and their impact is disclosed in the notes to the financial statements if deemed material.

c) Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded to the nearest lakhs, unless otherwise indicated.

d) Current and non-current classification:

The Company classifies an asset as current when:

- it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- it expects to realise the asset within twelve months after the reporting period;
- it holds the asset primarily for the purpose of trading; or
- the asset is cash or cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non current.

A liability is classified as a current when

- it is expected to be settled in the Company's normal operating cycle;
- the liability is due to be settled within twelve months from the reporting period;
- it is held primarily for the purposes of being trading;
- it does not hold an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a

Notes To Financial Statements

For The Year Ended 31st March, 2025

liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and realisation in cash or cash equivalents. The Company's normal operating cycle is twelve months.

e) Significant accounting policies

i.) Revenue recognition

Revenue from the sale of goods is recognized when ownership, along with all significant risks and rewards, has been transferred to the buyer, and when there is no significant uncertainty regarding the amount of consideration to be received from the sale.

Revenue from the sale of services is recognized using the completed service contract method, provided there is no significant uncertainty regarding the amount of consideration to be received for rendering the service.

Sales are accounted for net of amounts recovered towards gst and sales returns.

Sales returns are recorded upon the actual receipt of returned goods or the settlement of claims.

Revenue arising from the use by others of enterprise resources yielding interest and dividends should only be recognised when no significant uncertainty as to measurability or collectability exists. These revenues are recognised on the following bases:

Interest: On a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividends: When the owner's right to receive payment is established.

ii.) Inventories

Inventories comprise of diagnostic kits, reagents, laboratory chemicals and consumables, these are measured at lower of cost and net

realisable value. The cost of inventories is based on the weighted average cost formula and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale. The comparison of cost and net realisable value is made on an item-by-item basis.

iii.) Property, plant & equipments

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if it is probable that future economic benefit associated with the item will flow to the Company and the cost of the item can be measured reliably. Items of property, plant and equipment (including capital-work-in progress) are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and any accumulated impairment losses. Freehold land is carried at historical cost less any accumulated impairment losses.

Cost of an item of property, plant and equipment comprises its purchase price, including non refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the items to its working conditions for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset.

Notes To Financial Statements

For The Year Ended 31st March, 2025

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

iv.) Intangible assets

Intangible assets that are acquired, are recognized at cost initially and carried at cost less accumulated amortization and accumulated impairment loss, if any. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

v.) Depreciation & Amortisation

Depreciation is recognised so as to write off the cost of assets (other than freehold land) less their residual values over their useful lives.

The Company has charged depreciation on property, plant & equipment (PPE) based on the Straight line Method (SLM) as per useful life specified in schedule II of the Companies Act, 2013.

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight line method (SLM) and is included in depreciation and amortisation expense in statement of profit and loss.

Depreciation and amortisation on additions and deletions are restricted to the period of use.

Residual value is considered to be 5% on all the assets.

Assets costing below Rs. 5,000 are depreciated using depreciation rate at 100%.

Depreciation and amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

vi.) Employee benefits

Short-term employee benefits

Short term employee benefits are measured on an undiscounted basis and expensed as the related service is provided. A short term liability is

recognised if the Company has a present legal or constructive obligation to pay the amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan where the company's legal or constructive obligation is limited to the amount that it contributes to a separate legal entity. The company makes specified monthly contributions towards government administered provident fund scheme and employees' state insurance ('ESI') scheme. The company makes specified monthly contributions towards government administered provident fund scheme and employees' state insurance ('ESI') scheme. Obligations for contributions to defined contribution plans are expensed as an employee benefits expense in statement of profit and loss in the period in which the related services are rendered by employees.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The company has a defined benefit plan namely gratuity for all its employees. Liability for defined benefit plan is provided on the basis of valuations, as at the balance sheet date, carried out by an independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method. Actuarial gains and losses due to changes in actuarial assumptions and are recognised immediately in the profit and loss account as income or expense. Current and non current liabilities are recognised on the basis of actuarial report.

Termination benefits

Termination benefits are recognised as an expense as and when incurred.

vii.) Lease

Lease contracts entered by the company majorly pertains for buildings taken on operating lease to conduct its business in the ordinary course. Leases where the lessor effectively retains substantially all the risks and benefits of the

Notes To Financial Statements

For The Year Ended 31st March, 2025

leased assets are classified as operating leases. Operating lease payments are recognized in the statement of profit and loss on a straight line basis over the lease term. Lease agreements are renewable for further period or periods on terms and condition as mutually agreed with the lessor. Variation or escalations clauses in lease rentals are made as per mutually agreed terms and conditions with the lessor.

viii.) Impairment of assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is increased/ reversed where there has been change in the estimate of recoverable value. The recoverable value is the higher of the assets' net selling price and value in use. At each reporting date, the Company reviews the carrying amount of assets, to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

ix.) Investments

Current Investments are carried at lower of cost and market value computed Investment wise. Long Term Investments are stated at cost or fair value. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary in the opinion of the management.

x.) Income-tax

Provision for income tax is made on the basis of taxable income for the year at current rates. Tax expense comprises of current tax and deferred tax at the applicable enacted or substantively enacted rates. Current tax represents the amount of income tax payable/ recoverable in respect of the taxable income/ loss for the reporting period. Deferred tax represents the effect of timing difference between taxable income and accounting income for the reporting period that originate in one period and are capable of reversal in one or more subsequent periods.

The deferred tax asset is recognised and

carried forward only to the extent that there is a reasonable certainty that the assets will be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realisation of assets.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and Loss as current tax. The company recognizes the MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay the normal income tax during the specified period i.e., period for which MAT credit is allowed to be carried forward.

xi.) Provision, contingent liabilities and contingent assets

A provision is recognised when the company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on Management's estimate for the amount required to settle the obligation at the balance sheet date.

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognised nor disclosed in the financial statements, since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognized.

Notes To Financial Statements

For The Year Ended 31st March, 2025

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

xii.) Earnings per share

Basic Earnings per share

Basic Earnings Per Share ('EPS') is calculated by dividing the profit attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the year.

Diluted Earnings per share

Diluted earnings per share is computed by dividing the profit (considered in determination of basic earnings per share) after considering the effect associated with dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per share adjusted for the weighted average number of equity shares that would have been issued upon conversion of all dilutive potential equity shares.

xiii.) Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

xiv.) Cash and cash equivalents

Cash and cash equivalents in the balance sheet and cash flow statement consists of cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities less than three months which are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value.

xv.) Dividend

The company recognises a liability for any dividend declared but not distributed at the end of the reporting period, when the distribution is

authorised and the distribution is no longer at the discretion of the company on or before the end of the reporting period.

xvi.) Related parties transactions

The company has a policy to recognize and identify related party transactions; disclosures of related party transactions have been made wherever applicable.

xvii.) Foreign Currency Transactions

Foreign exchange transactions are recorded at the rates prevailing on the date of transactions. Exchange rate differences arising on foreign exchange transactions settled during the year are recognized in the statement of profit and loss for the year. Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date and the resultant exchange differences are recognized in the statement of profit and loss. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency should be reported using the exchange rate at the date of the transaction. Non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency should be reported using the exchange rates that existed when the values were determined.

xviii.) Borrowing Costs

Borrowing costs that are attributable to acquisition, construction or production of qualifying assets are capitalised as part of such assets. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred.

xix.) Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

For The Year Ended 31st March, 2025

transfer. Given the significance of the consumable stock consistently held at these centers, the company has adopted a new policy wherein consumables transferred to diagnostic centers are recognized as inventory at those centers and are expensed only when consumed or used.

As a result of this policy change, the profit before tax for the financial year 2023-24 has increased by Rs 579.04 Lakhs, representing a 27.70% increase. This adjustment reflects a one-time impact on the year’s profit and is not expected to materially affect profitability in future periods.

In accordance with Accounting Standard (AS) 5, “Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies,” prior period items include errors discovered in the preparation of financial statements for one or more prior periods. Such errors may arise from mathematical mistakes, incorrect application of accounting policies, misinterpretation of facts, or oversight. Given that the revised policy addresses an error in the application of the previous accounting policy, the resulting increase in profit of Rs 579.04 Lakhs should be classified as a prior period item.”

Consolidated Independent Auditors Report

TO THE MEMBERS OF
CHANDAN HEALTHCARE LIMITED

Report on the Audit of Consolidated Financial Statements as at 31st March, 2025.

We have audited the Consolidated financial statements of CHANDAN HEALTHCARE LIMITED, which comprise the balance sheet as at 31st March 2025, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. Which we have signed under reference to this report.

In our opinion and to the best of our information and according to the explanations given to us, the a fore said Consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules, 2021 (“AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st 2025, the Profit for the year ended on that date.

Basis for Opinion

We conducted our audit of Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on consolidated financial Statements.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these Consolidated

financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the Board of Directors is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Independent Auditor's Report

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of Internal Control relevant to Audit in order to design Audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control system.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decision of the reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the Scope of our audit work and in evaluating the result of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- As required by Section 143(3) of the Act, we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounting Standards) Rules, 2021.
 - On the basis of the written representations received from the directors as on 31st March 2025, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025, from being appointed as a director in terms of Section 164(2) of the Act.
 - In our opinion, the provision of section 143(3)(i) with regard to the opinion on internal financial controls

Independent Auditor's Report

with reference to financial statements and the operating effectiveness of such controls is applicable to the company.

- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company does not have any pending litigations in financial statements, which would impact on its financial position.
 - The Company does not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity (ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (ii) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity (ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances,

nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.

- The company has not declared or paid any dividend during the year.
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

Annexure A to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of CHANDAN HEALTHCARE LIMITED as of 31st March 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial

controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls,

Annexure B to the Independent Auditor's Report

material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes To Consolidated Financial Statements

For The Year Ended 31st March, 2025

Note No. :- 1 : Corporate information

Chandan Healthcare Limited, established on September 3, 2003, specializes in operating state-of-the-art laboratories that offer comprehensive pathological investigations. Our services encompass biochemistry, hematology, histopathology, microbiology, and immunology. Additionally, we provide an extensive array of radiology services, including CT scans, X-rays, and MRIs. Committed to accuracy and reliability, Chandan Healthcare supports healthcare professionals and patients by delivering essential diagnostic services.

Note No. :- 2 : Summary of Significant accounting policies

a) Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with the historical cost convention, accrual basis, and going concern assumption, as mandated by generally accepted accounting principles (GAAP) in India. GAAP encompasses the mandatory accounting standards specified under Section 133 of the Companies Act, 2013, in conjunction with Rule 7 of the Companies (Accounts) Rules, 2014, and the relevant provisions of the Act (to the extent notified).

Accounting policies have been applied consistently throughout, except where the initial adoption of a new accounting standard or a revision to an existing accounting standard necessitates a change in the previously applied accounting policy.

The financial statements are prepared in accordance with Schedule III of the Companies Act, 2013, which significantly influences their disclosure and presentation. Comparative figures for the previous year have been regrouped or reclassified, as necessary, to align with the current year's classification and disclosure requirements.

The standalone financial statements were approved by the Board of Directors and authorised for issue on May 27, 2025.

b) Use of Estimates

The preparation and presentation of financial statements necessitate the use of estimates and assumptions that impact the reported amounts of assets, liabilities, and contingent liabilities as of the financial statement date, as well as the reported

revenues and expenses for the reporting period. Any variances between actual results and estimates are recognized in the period in which they become known or materialize.

Accounting estimates are subject to periodic revisions, and actual results may differ from these estimates. Adjustments to estimates are made when management becomes aware of changes in the circumstances affecting the estimates. Such changes are reflected in the financial statements for the period in which they occur, and their impact is disclosed in the notes to the financial statements if deemed material.

c) Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded to the nearest lakhs, unless otherwise indicated.

d) Current and non-current classification:

The Company classifies an asset as current when:

- it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- it expects to realise the asset within twelve months after the reporting period;
- it holds the asset primarily for the purpose of trading; or
- the asset is cash or cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non current.

A liability is classified as a current when

- it is expected to be settled in the Company's normal operating cycle;
- the liability is due to be settled within twelve months from the reporting period;
- it is held primarily for the purposes of being trading;
- it does not hold an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a

Notes To Consolidated Financial Statements

For The Year Ended 31st March, 2025

liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and realisation in cash or cash equivalents. The Company's normal operating cycle is twelve months.

e) Significant accounting policies

i.) Revenue recognition

Revenue from the sale of goods is recognized when ownership, along with all significant risks and rewards, has been transferred to the buyer, and when there is no significant uncertainty regarding the amount of consideration to be received from the sale.

Revenue from the sale of services is recognized using the completed service contract method, provided there is no significant uncertainty regarding the amount of consideration to be received for rendering the service.

Sales are accounted for net of amounts recovered towards gst and sales returns.

Sales returns are recorded upon the actual receipt of returned goods or the settlement of claims.

Revenue arising from the use by others of enterprise resources yielding interest and dividends should only be recognised when no significant uncertainty as to measurability or collectability exists. These revenues are recognised on the following bases:

Interest: On a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividends: When the owner's right to receive payment is established.

Inventories comprise of diagnostic kits, reagents,

ii.) Inventories

Inventories comprise of diagnostic kits, reagents, laboratory chemicals and consumables,

these are measured at lower of cost and net realisable value. The cost of inventories is based on the weighted average cost formula and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale. The comparison of cost and net realisable value is made on an item-by-item basis.

iii.) Property, plant & equipments

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if it is probable that future economic benefit associated with the item will flow to the Company and the cost of the item can be measured reliably. Items of property, plant and equipment (including capital-work-in-progress) are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and any accumulated impairment losses. Freehold land is carried at historical cost less any accumulated impairment losses.

Cost of an item of property, plant and equipment comprises its purchase price, including non refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the items to its working conditions for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset.

Notes To Consolidated Financial Statements

For The Year Ended 31st March, 2025

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

iv.) Intangible assets

“Intangible assets that are acquired, are recognized at cost initially and carried at cost less accumulated amortization and accumulated impairment loss, if any. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.”

v.) Depreciation & Amortisation

Depreciation is recognised so as to write off the cost of assets (other than freehold land) less their residual values over their useful lives.

The Company has charged depreciation on property, plant & equipment (PPE) based on the Straight line Method (SLM) as per useful life specified in schedule II of the Companies Act, 2013.

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight line method (SLM) and is included in depreciation and amortisation expense in statement of profit and loss.

Depreciation and amortisation on additions and deletions are restricted to the period of use.

Residual value is considered to be 5% on all the assets.

Assets costing below Rs. 5,000 are depreciated using depreciation rate at 100%.

Depreciation and amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

vi.) Employee benefits

Short-term employee benefits

Short term employee benefits are measured on an undiscounted basis and expensed as the related service is provided. A short term liability is

recognised if the Company has a present legal or constructive obligation to pay the amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan where the company's legal or constructive obligation is limited to the amount that it contributes to a separate legal entity. The company makes specified monthly contributions towards government administered provident fund scheme and employees' state insurance ('ESI') scheme. The company makes specified monthly contributions towards government administered provident fund scheme and employees' state insurance ('ESI') scheme. Obligations for contributions to defined contribution plans are expensed as an employee benefits expense in statement of profit and loss in the period in which the related services are rendered by employees.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The company has a defined benefit plan namely gratuity for all its employees. Liability for defined benefit plan is provided on the basis of valuations, as at the balance sheet date, carried out by an independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method. Actuarial gains and losses due to changes in actuarial assumptions and are recognised immediately in the profit and loss account as income or expense. Current and non current liabilities are recognised on the basis of actuarial report.

Termination benefits

Termination benefits are recognised as an expense as and when incurred.

vii.) Lease

Lease contracts entered by the company majorly pertains for buildings taken on operating lease to conduct its business in the ordinary course. Leases where the lessor effectively retains substantially all the risks and benefits of the

Notes To Consolidated Financial Statements

For The Year Ended 31st March, 2025

leased assets are classified as operating leases. Operating lease payments are recognized in the statement of profit and loss on a straight line basis over the lease term. Lease agreements are renewable for further period or periods on terms and condition as mutually agreed with the lessor. Variation or escalations clauses in lease rentals are made as per mutually agreed terms and conditions with the lessor.

viii.) Impairment of assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is increased/ reversed where there has been change in the estimate of recoverable value. The recoverable value is the higher of the assets' net selling price and value in use. At each reporting date, the Company reviews the carrying amount of assets, to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

ix.) Investments

Current Investments are carried at lower of cost and market value computed Investment wise. Long Term Investments are stated at cost or fair value. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary in the opinion of the management.

x.) Income-tax

Provision for income tax is made on the basis of taxable income for the year at current rates. Tax expense comprises of current tax and deferred tax at the applicable enacted or substantively enacted rates. Current tax represents the amount of income tax payable/ recoverable in respect of the taxable income/ loss for the reporting period. Deferred tax represents the effect of timing difference between taxable income and accounting income for the reporting period that originate in one period and are capable of reversal in one or more subsequent periods.

The deferred tax asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets will be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realisation of assets.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and Loss as current tax. The company recognizes the MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay the normal income tax during the specified period i.e., period for which MAT credit is allowed to be carried forward.

xi.) Provision, contingent liabilities and contingent assets

A provision is recognised when the company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on Management's estimate for the amount required to settle the obligation at the balance sheet date.

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognised nor disclosed in the financial statements, since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

Notes To Consolidated Financial Statements

For The Year Ended 31st March, 2025

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

xii.) Earnings per share

Basic Earnings per share

Basic Earnings Per Share ('EPS') is calculated by dividing the profit attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the year.

Diluted Earnings per share

Diluted earnings per share is computed by dividing the profit (considered in determination of basic earnings per share) after considering the effect associated with dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per share adjusted for the weighted average number of equity shares that would have been issued upon conversion of all dilutive potential equity shares.

xiii.) Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

xiv.) Cash and cash equivalents

Cash and cash equivalents in the balance sheet and cash flow statement consists of cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities less than three months which are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value.

xv.) Dividend

The company recognises a liability for any dividend declared but not distributed at the end

of the reporting period, when the distribution is authorised and the distribution is no longer at the discretion of the company on or before the end of the reporting period.

xvi.) Related parties transactions

The company has a policy to recognize and identify related party transactions; disclosures of related party transactions have been made wherever applicable.

xvii.) Foreign Currency Transactions

Foreign exchange transactions are recorded at the rates prevailing on the date of transactions. Exchange rate differences arising on foreign exchange transactions settled during the year are recognized in the statement of profit and loss for the year. Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date and the resultant exchange differences are recognized in the statement of profit and loss. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency should be reported using the exchange rate at the date of the transaction. Non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency should be reported using the exchange rates that existed when the values were determined

xviii.) Borrowing Costs

Borrowing costs that are attributable to acquisition, construction or production of qualifying assets are capitalised as part of such assets. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred.

xix.) Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.
